**RoadPeace** is a national charity whose aims are:

- to provide emotional and practical support to road traffic victims, bereaved families and friends
- to raise awareness of dangers on the road and encourage their reduction

RoadPeace welcomes sympathetic organisations as Associate Members. Associate Membership entitles your organisation to receive a regular Newsletter and other RoadPeace material and information, to aid RoadPeace in its work financially or otherwise, and to nominate a non-voting representative to attend Annual General Meetings and other specified Meetings.

RoadPeace is a useful contact for organisations involved in the care and support of those suffering the effects of road crashes and for those involved in attempting to reduce the dangers on our roads.

## Associate Membership fees

- Businesses or public sector £50
  - Charities or other non-profit making organisations £20
- Reciprocal membership may be negotiable for those organisations where mutual association is of benefit.
